About this home

Carisbrooke is a new residential home based in the Nottingham area. It's been developed as a modern home for people who need specialist support, in a property that meets high standards and is designed with care and comfort in mind.

Support services

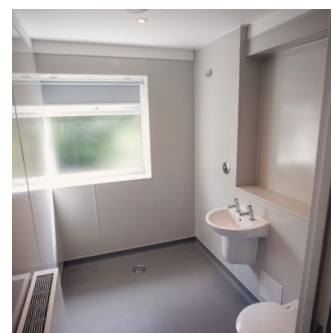

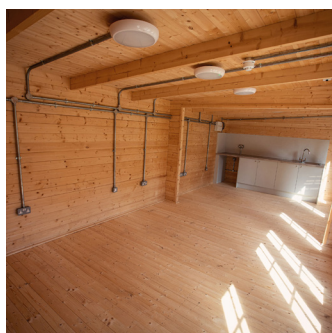

The support team at **Carisbrooke** brings extensive experience in supporting individuals with a range of conditions, including:

- Autism
- Mental Health
- Challenging Behaviour
- Sensory Impairment
- Dementia
- Forensic Services
- Learning Disability
- Physical Disability
- Attachment and Detachment Disorders
- Down Syndrome
- PDA - Pathological Demand Avoidance Syndrome
- Brain Injury

What we offer

People supported will receive person-centred, round-the-clock care in a safe and supportive environment designed to promote independence. The home offers fully self-contained living spaces with ensuite wet rooms, without shared communal areas, providing greater privacy and security. Support is tailored to each individual's goals and preferences, and we are also able to support people with forensic backgrounds.

Lifestyle

Life at Carisbrooke will combine freedom, comfort, and choice. People supported will enjoy their own private apartments while sharing social spaces within the gardens. The design encourages involvement, meaningful activities, and relationships with peers. The built environment will help promote balance between privacy and community.

Who are we?

Dignus Group provides specialist support for people with complex needs, autism spectrum conditions, learning disabilities, and mental health conditions. We create safe, inclusive environments where individuals are valued, supported, and empowered to live fulfilling lives.

The local area

Situated in the Nottingham area, Carisbrooke will benefit from being close to amenities, transport links, and community facilities.

No CQC rating.
Newly opened service.
