## Lifestyle

Life at Colliers House is centred around autonomy, comfort, and community. People supported enjoy their own personal space within the apartments, while also having access to shared areas that encourage connection and relaxation. The secure garden and patio provide opportunities for outdoor activities, and the home's location offers easy access to local amenities and transport links.

## Who are we?

Dignus Group provides specialist support for people with complex needs, autism spectrum conditions, learning disabilities, and mental health conditions. We create safe, inclusive environments where individuals are valued, supported, and empowered to live fulfilling lives.

## The local area

Colliers House is situated at the end of a cul-de-sac, offering significant space to each of the individuals who live there. The location is within walking distance of local shopping and leisure facilities, as well as a medical practice and pharmacy. Nearby, there is a library and a range of sports and social clubs. Coventry city centre is three miles away, with the main bus route within 150 metres. The home is four miles from Coventry train station and less than two miles from M6 Junction 2, providing excellent transport links.
